## CERTIFIED COPY OF A FACTORY RECORD

BMIHT certifies that the details given below are a true copy of an entry in the original factory records for the vehicle with the chassis number quoted.

This Certificate does not constitute verification of the present condition of a specific vehicle. These are the details of the car as it left the assembly line. Cars were sometimes modified by the manufacturer after production and prior to shipment.

Certificate Number: **HT/2003/5052**
